

BONALDO

Paddle

Designer: Mauro Lipparini

With shapes inspired by the typical sports paddle to which it is an explicit tribute, Paddle is a collection of tables by Mauro Lipparini with a light and linear design. Equipped with two table tops (in Canaletto walnut or coal oak), the coffee tables are completed by a bearing structure in bronze or lead painted

metal. They are distinguished by the clear-cut shapes of the metal tops and profiles and softened by the rounded edges. Arranged individually or in combination with other elements, this offers ample possibilities for insertion in the most disparate domestic and hospitality spaces.
