

**BONALDO**

# My way too

Softness and comfort are the main characteristics of the stool My way too. An element that catches the attention is the important padding of the body that wraps it in a precious shell. My way too stool is available with fixed or swivel metal base while seat and back are covered in fabric, eco-leather or leather. The

variety of finishes available for the base and for the covering allows ample freedom of customization for a close dialogue with the surrounding environment.
