# Itala too

Designer: Gino Carollo

Thanks to its elegant and understated design, Itala too integrates perfectly with the various spaces of the home, combining itself skilfully within contemporary and fun furnishing as well as within chic and “nostalgic” furnishing. The comfort of the stool is guaranteed by the accentuated padding of the seat, while the

backrest, which becomes slimmer as it reaches the top, defines the light and linear silhouette. The upholstery is available in fabric, leather or eco-leather; the base and the footrest are in various colours to ensure maximum customisation.
