

**BONALDO**

# Slab plus

Rigorous linearity of shapes and softness of material coexist in Slab plus, sofa able to be ideally included in the home with a balanced modernity, perfect for living areas with an innovative and contemporary spirit, to which it adapts with great flexibility thanks to the numerous elements contained in the collection. Not only aesthetic, but also comfort: the deep seating and the height of the

backrest ensure excellent comfort and inspire total relaxation. The upholstery, fully removable, is available in fabric or leather; the original base in painted metal gives a suspended look and, resuming the squared lines of the padded body, ensures the visual consistency of the design.
